**Dear Parents** 

### **Re. Dinner Money**

Parents are asked to notify the academy administrators if you wish your child to change from having a packed lunch to a hot midday meal in January. The cost of meals is currently £10.25 per week, £2.05 per day. Dinner money is payable on the first day of the school week, usually Monday. Please place the correct amount of money in an envelope that is clearly marked with your child's name and class. Your child should then hand this to the class teacher. Should any child wish to transfer from having a hot midday meal to sandwiches, a letter giving two weeks notice of the change is required.

# Universal Free Meals for Reception and Infant Children

Since September our infant aged children have been having free midday meals under the new Universal Free Meal scheme. I am pleased to see that the majority of children are having the free hot meals each day. I would remind parents that if your child wishes to change from having a hot meal that it is important that you notify the school administrators as soon as possible. Thank you.

Parents may be interested to know that the free meal scheme offered to families on a lower income (see below) is still applicable to younger pupils and we recommend that you make an application if you feel you meet the criteria as your child/children would then receive free milk in addition to a hot midday meal each day.

# **Free School Meals**

I would remind parents that it is an easy procedure to apply for free school meals under the free meal programme. Parents who are in receipt of income based Job Seekers' Allowance, Child Tax Credit and Working Tax Credit and whose income is less than £16,190 may be eligible.

**Parents may now apply online** <u>www.wolverhampton.gov.uk/freeschoolmeals</u> and receive an instant decision. Claimants need not provide paperwork; they will need to have their National Insurance number to hand and be able to provide personal information including date of birth, surname, address and child(ren)'s details. Forms are also available from the school office. Please consider applying for free school meals if you feel you may be entitled to receive them, as your child will also benefit from receiving free milk.

# **Milk Money**

Milk money will be payable at the start of the spring term and the charge remains at £11.00 per term. The money is payable within the first week of the new school term. All monies should be received in school by no later than **Monday 12 January.** After this date milk will not be given to children for whom payments have not been received.

Milk money is recorded and banked by the kitchen supervisor and not by the academy administration staff. When sending milk money into school please ensure that the **correct money is placed in an envelope clearly marked with your child's name and class. Thank you.**
