## EXTENDED SCHOOLS ACTIVITIES

February – March 2015

06 February 2015

Dear Parents and Carers,

Please find attached information about the after school clubs on offer after February half term break. The first extended schools activities will take place on **Tuesday 24 February 2015**.

Our new, weekly extended school club called 'Internet Homework Club' is going well allowing pupils to access Bug Club, Abacus, Wordsmith resources using school laptops. These clubs are aimed at pupils who cannot gain access to the online homework activities at home. Wednesday's dance club is now open to Reception Children.

I would be grateful if you could place a tick in the box next to the club/s your child wishes to join. Please also sign in the space provided and indicate, on the bottom of the sheet, who will be collecting your child each week.

Please return completed forms to the main office. For many of our clubs, places will be allocated on a first come, first served basis to ensure allocation is fair. Where it is clear that children have attended some clubs previously in this academic year, priority may be given to those pupils who have not yet had the opportunity. For health and safety reasons, maximum numbers for each club will not be exceeded.

Please note, some clubs have less places available than others. It is likely that some children may not be allocated a place in their preferred clubs this term. If this is the case, we will try our best to make sure they have a place in future terms.

Upon receipt of your selections, we will carefully ensure places are allocated in order of receipt. Your child will then receive a letter outlining essential information for the after school club they have been allocated.

Please ensure you return completed forms to the main office **no later than Tuesday 10 February 2015** as places need to be allocated so that clubs can begin **TUESDAY 24 FEBRUARY 2015**.

We thank you for your continued support.

Yours Sincerely

Mrs S McHale  
Acting Principal
