As an academy we will

Help children to grow in understanding of the Catholic Faith and to reflect this understanding in their daily lives
Ensure all pupils pray together each day
Set challenging work to raise standards in an environment that is stimulating and safe.
Give clear and accurate information in annual reports about what children know and the progress they have made
Help children understand how they can improve
Have academy rules which pupils and parents understand and support.
Tell pupils and parents about everyday activities in the academy.
Make sure homework is set according to the stated timetable and that children understand it.
Make homework realistic for the time available
Check and mark homework as appropriate
Make sure that children use their homework diaries appropriately
Check attendance, punctuality and appearance.
Tell pupils and parents when we are pleased or concerned and also make time to listen to their concerns.
